### **DIRECTOR OF FACILITIES**

The North Marion School District is seeking its next Director of Facilities—a strategic leader who is committed to creating safe, welcoming, and well-maintained learning environments for students and staff. Our district takes great pride in maintaining high-quality facilities that support teaching, learning, and community engagement. Supported by a dedicated administrative team, skilled maintenance staff, and a supportive community, this position offers a unique opportunity to have a lasting impact on our schools. We are looking for a facilities leader who will uphold our commitment to safety, efficiency, and responsible stewardship of district resources while helping ensure our buildings and grounds continue to serve students for years to come.

- Join a small, close-knit district that values collaboration and efficient operations.
- Support strong stewardship of district facilities and resources.
- Work with a supportive administrative team and dedicated staff.

## A LOVE OF OUR COMMUNITY

The North Marion School District (NMSD) is a preK-12 community nestled in the heart of Willamette Valley farmland, in Aurora, a city located along I-5, between Salem and Portland.

We are a culturally and ethnically diverse district serving approximately 1700 students from Aurora, Broadacres, Butteville, Donald, and Hubbard. All four district schools are connected on one campus, creating a unique sense of connection and community.

NMSD stands at the center of community activities. We are known for our tech-savvy academic programs, strong services to special needs students, first-rate music programs, beautiful facilities, and outstanding athletic and extracurricular programs.

But we couldn't do it without our dedicated staff working together to provide a warm and caring environment where students can shine. NMSD is known for its supportive and caring community and staff, for whom NMSD is a great source of pride.

## A BELIEF IN OUR STUDENTS

At North Marion, our vision for our district is "Communities engaged and unified in providing ALL students equitable access to their chosen path".

We work diligently to create systems of support for our families and staff that move us toward this vision. Programs and supports include:

- Bilingual family liaisons in all schools
- Community events to support family involvement
- Clubs and student activities that focus on student interests, and honor cultural heritage
- Heritage Spanish program at both the Middle School and High School
- A thriving CTE and College Prep program that offers students multiple pathways to post-secondary opportunities
- Currently investigating a Spanish Immersion program
